Not so Respectable, After All.

Whenever an account of any shooting scrapes appears in any Texas paper, it is almost certain to wind up with the statement that the survivor belongs to one of the most respectable families in that part of the State. The public have read this so frequently that the respectability of the family of a party to a shooting scrape has almost become proverbial. This was illustrated admirably in a conversation we overheard a few days ago. A merchant asked a friend if he knew of a proper person to take charge of a set of books.

"Yes, there is young Bill Flavin. He is a good hand at books, and he belongs to one of the most respectable families."

"It can't be much of a family. I never heard of any of them shooting anybody."

LAW and Gospel: Lawyer Brown is a Sabbath school teacher. He was endeavoring to inculcate into his pupils' minds the necessity of a firm belief in things spiritual, when one of the class, with open-eyed astonishment, exclaimed: "Why, Mr. Brown, I heard you tell a witness in court the other day that you didn't care what he believed. All you cared about was what he knew!"

Kendall's Spavin Cure.

The Most Successful Remedy ever discovered, as it is certain it effects and does not blister. READ PROOF BELOW.

From Rev. P. N. GRANGER.

Presiding Elder of the St. Albans District, ST. ALBANS, VT., Jan. 20, 1880.
DR. B. J. KENDALL & Co., Gents:—In reply to your letter I will say that my experience with 'Kendall's Spavin Cure' has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it, cured a horse of lameness caused by a spavin. Last season my horse became very lame and I turned him out for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ring-bone was forming, I procured a bottle of Kendall's Spavin Cure and with less than a bottle cured him so that he is not lame, neither can the bunch be found. Respectfully yours, P. N. GRANGER.

Perseverance Will Tell.

STROUGHTON, MASS., March 16, 1880.
B. J. KENDALL & Co., Gents:—In justice to you and myself, I think I ought to let you know that I have removed two bone spavins with 'Kendall's Spavin Cure,' one very large one, don't know how long the spavin had been there. I have owned the horse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and no bunch to be seen or felt. This is a wonderful medicine. It is a new thing here, but it does for all what it has done for me it will do very great.

Respectfully yours, CHAS. E. PARKER.
KENDALL'S SPAVIN CURE is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach a every deep seated pain or to remove any bony growth or other enlargement, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price \$1. per bottle, or six bottles for \$5. ALL DRUGGISTS have it or can get it for you or it will be sent to any address on receipt of price by the proprietors. DR. B. J. KENDALL & CO. Enosburgh Falls, Vermont. j27d
